

REMARKS

In the Office Action, the Examiner restricted examination of claims 1-35 in the present application. Specifically, the Examiner restricted claims 1-25 to Group I as drawn to a computer system coupled to a network to select an imaging workstation and restricted claims 26-35 to Group II as drawn to a method for utilizing a computer system to configure a workstation, components, and software.

Although Applicant does not necessarily agree with the Examiner's reasons for restriction, Applicant elects to prosecute claims 1-25 of Group I. Therefore, Applicant has canceled claims 26-35 without prejudice for possible inclusion in a divisional application.

If the Examiner believes that a telephonic interview will help speed this application toward issuance, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,
